

PARENT LETTERS

Every lesson has a corresponding **Letter to Parents**, in English and Spanish, which can also be printed out from the Lesson Resources CD and sent home.

RESPONSE TO INTERVENTION (RTI)

Fountas & Pinnell's Benchmark Assessment System and Levelled Literacy Intervention Responds to Intervention.

These two comprehensive assessment and intervention systems identify students at risk and monitor the academic progress of all students by allowing you to:

- conduct universal screening of students
- administer diagnostic assessment that defines the problem areas in measurable terms
- collect baseline data prior to intervention, and
- prepare a plan of intervention including measures for progress monitoring

The Fountas & Pinnell *Benchmark Assessment* and *Levelled Literacy Intervention* systems are underpinned by the *Continuum of Literacy Learning*.

Visit www.fountasandpinnell.com to see the alignment of the *Continuum of Literacy Learning, K–8* to the Common Core State Standards (CCSS) for Language and Literacy.
