

Do I need **NEW** resources to teach **Grade 9 Social Studies?**

The 2nd Editions of our Social Studies Resources were developed with the new direction of the curriculum in mind. However, we didn't plan for a shifting in content between grades. **But, we do have a solution...**

I have Crossroads, 2nd Edition, can I still use it for my Grade 9 class?

I never bought Crossroads, 2nd Edition, what do I need to teach the new Grade 9 course?

YES! You can use Crossroads 2, but you will need to purchase the Grade 9 Sourcebook. This will be a series of primary and secondary sources designed to work with the Crossroads 2 content. It will help students apply the thinking concepts that are introduced in the texts.

**Thinking it Through:

If you haven't bought Crossroads 2 you will need to purchase these 2 modules and the Sourcebook:

Global Transformations

DO I HAVE TO PURCHASE ANOTHER EGUIDE?

If you have already purchased the eGuide you will not have to purchase it again, as we are updating the eGuides to bring in support for the competencies and will look at ways we can link the eGuides to the different Grades. If you haven't purchased an eGuide for the 2nd Edition, you will need to now.

New Modular Format (in HardCover) works with what you have!
