

Pearson K12 Digital Solutions: Fall 2020

Pearson has added digital resource solutions in response to an influx in remote and hybrid learning scenarios.

There are **new platform options** and **additional titles**, including some higher ed resources suitable for courses at the secondary level.

For districts interested in **system-wide deployment** of resources, such as 1:1 access across certain subject areas and/or grade levels, we can deliver a **simple URL solution**.

For district and school inquiries, contact your local [Pearson Canada representative](#).
