

1. From the main window, click **Plan**.
2. Select **All Plans** from the drop-down list.

The screenshot displays the Mathology website interface. At the top left is the Mathology logo. To the right of the logo are navigation links: Home, Favourites, Plan (with a dropdown arrow), Analytics (with a dropdown arrow), and Help. Below the navigation links is a notification banner for "Ontario New Curriculum Alignment Charts". The main content area features the Pearson Mathology logo, a search bar with a magnifying glass icon and a "Search" button, and a "Show All Lessons" link. Below the search bar are two buttons: "Search by Curriculum" and "Search by Progression". Two orange arrows from the instruction box point to the "Plan" dropdown menu and the "All Plans" option within it.

3. Scroll down to **Sample Plans** and select the **plan for your grade.**

4. Click the green button labelled **Use Sample Plan**.
5. **Name your plan**, then click **Save** (wait for 5-10 seconds for it to enter your subscription).

The screenshot displays the Mathology interface for a Grade 2 Sample Long-Range Pathway. A modal dialog box titled "Use Sample Plan" is open, showing a text input field for the plan name, which is "Long Rang Grade 2 2020/2021". A green "Save" button is located at the bottom right of the dialog. In the background, the main page shows a list of math topics on the left and a "Use Sample Plan" button in the top right corner, both highlighted with orange circles and arrows pointing to the dialog box.
