Get the Print/eBook bundle for the price of print only

Each REMIX title is available in digital format. Students can access the eBook from any computer, iPad, or Android tablet. These eTexts provide a fluent audio recording of the text with words highlighted as they are read. There is also an interactive glossary.

Each Remix book provides an access code on the inside front cover. Teachers register for the eBook using this access code and record the login information in the book. Once registered, all students use that login information to access the eBook One student can be logged into the eBook at a time and once they log out, the eBook is available for other students.
